

PROJECT SHINE

AN ESTABLISHED SUPPLIER OF BESPOKE LED LIGHTING KITS AND UPVC HARDWARE

INTRODUCTION

Project Shine is an opportunity to acquire an established supplier of bespoke LED Lighting Kits and UPVC Hardware.

Operating in a niche, highly profitable, technically involved sector of the LED lighting market, the company supplies bespoke LED strip lighting kits from its base in the North of England, utilising specialist knowledge and high quality components.

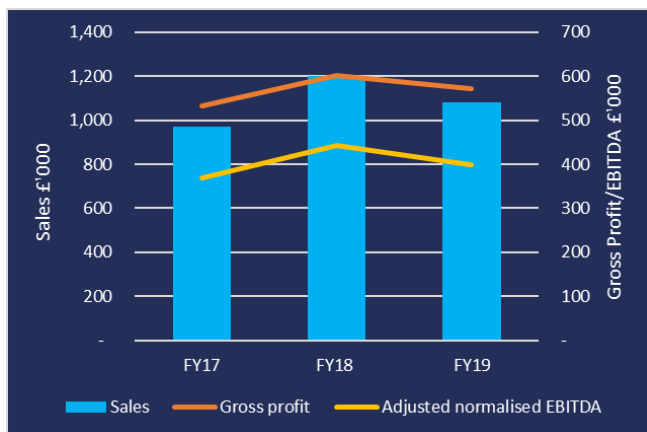

In addition to lighting which accounted for 81% of revenue in FY19, the company has a secondary concern; selling UPVC Hardware parts.

The company has an exceptional reputation for high quality service for both LED and UPVC sales. This is aided by extensive technical knowledge and vast experience within the business.

The shareholders are selling the Businesses due to planned relocation abroad and retirement.

KEY FEATURES + OPPORTUNITIES

- + A consistently profitable business with turnover in excess of £1m in FY18 and FY19.
- + An opportunity to acquire a company within the buoyant LED market which is currently growing at a significant rate.
- + Key opportunity to grow the Business from its current site through both LED and UPVC divisions.
- + UK distribution rights for a brand of highly regarded LED control products.
- + There is scope for investment into the UPVC side of the business through marketing expenditure and activities.
- + Established, strong supplier relationships.
- + Reputation for high quality service.
